

supply Teaching & Schools

Schools, Colleges, Special Educational Needs Establishments and Nurseries need specialised staff every day of the school year to ensure that the highest level of teaching, classroom support, and specialist knowledge is provided to children and young adults across the country.

Alderwood Education specialises in the placing of these candidates on a day to day supply, fixed term contract, or permanent basis. We pride ourselves on the recruitment and selection process that every candidate goes through before they are placed with a school or college.

Our selection and recruitment process includes; All checks in accordance with current Safeguarding Children and Safer recruitment in Education Guidelines, a personal face to face interview with a trained consultant, Two references covering a five year period being taken and all original qualification documentation checked.

The Key vacancies we cover include

- Teachers
- Cover Supervisors
- Exam Invigilators
- Teaching Assistants
- Nursery Nurses
- School Support staff
